ATLANTA—April 28, 2009—The Intersect Group, the premier provider of finance & accounting and information technology consulting and staffing services to Atlanta companies, has been named by the *Atlanta Business Chronicle* as one of the fastest-growing private companies in the city. Founded in 2006, Intersect posted \$19.3 million in revenue in 2008 versus \$3 million in 2006. Additionally, the firm has grown from three employees in January 2006 to almost 200 currently.

Scott Meyerhoff, partner and co-founder of The Intersect Group, commented, “We attribute our firm’s rapid growth to our experienced consultants, deep subject matter expertise and robust recruiting engine. This flexible model allows clients to address IT and finance/accounting needs either with an Intersect-led team or with their own leadership coupled with our professionals—to assure goals are met.”

Wade Hughes, another Intersect partner and co-founder, added, “Our passion for service and our desire to develop long-lasting value-based relationships with both our clients and team members creates a real platform for growth. Our goal is to export our local model into 20 additional cities supplemented with national specialty solution groups over the coming years. We look forward to expanding our ability to offer the benefits of working with The Intersect Group to clients nationwide.”
