**The Intersect Group Ranks 2nd of Georgia's Fastest Growing
Small Middle-Market Companies**
Named by Georgia Trend Magazine

ATLANTA—December 2009—The Intersect Group, a premier provider of finance & accounting and information technology consulting and staffing services to Atlanta companies, has been named one of the fastest growing middle-market companies in the state by *Georgia Trend* magazine. Specifically, Intersect ranked 2nd among small mid-market companies (annual revenue below \$60 million). Founded in 2006 by a team of industry veterans, the firm recorded revenue growth of 520% from 2006 to 2008. Additionally, the company has grown from just three employees at its onset to over 200 today.

Wade Hughes, managing partner of the firm, notes, “We are honored to be recognized by *Georgia Trend* and are proud of our continued growth trajectory, particularly in light of the tumultuous economic conditions. We feel our success to date is a direct result of our commitment to and focus on our core business model—providing our clients with flexible solutions to meet their most critical and relevant business issues.”

Earlier this year, The Intersect Group was recognized by the *Atlanta Business Chronicle* as 15th of the 50 fastest-growing, privately held companies and a 2009 Pacesetter.

“Georgia’s Mid-Market Fast 40” is a special annual section of *Georgia Trend* magazine. This most recent edition represents a joint venture between the magazine and the southeast regional CPA firm Cherry, Bekaert & Holland LLP. Qualifying companies were headquartered in Georgia and had net sales ranging from \$20-\$500 million. Additionally, selected companies had to meet a strict set of criteria and demonstrate three years of sustained revenue and employment growth.
